

To Kneeland Via US101 and Eureka from Vallejo (273 mi.)

To Kneeland Via I-5 and Redding (340 mi.)

The route through Redding is longer with more climbing but may be more direct for those starting East of the bay area. Mileages on the map above were taken from Vallejo. The graphs below the maps show elevation changes along the way for each route. Both routes are scenic and you may wish to go by one route and return by the other.

DIRECTIONS: From Route 101 North entering Eureka, exit at Harris. Turn right (actually a veer right up the hill just after the signal and then follow it 2.3 miles to the fairgrounds then left on Hall for .2 mile then right on Myrtle for 2.3 miles then right for .1 mile on Freshwater Road then left on Greenwood Heights Road by Freshwater elementary. Drive about 6.2 miles to 5990 Greenwood Heights Road. **DIRECTIONS:** If coming from I-5 at Redding, go 139 miles on SR299 to 101 south. Go 5.5 miles south on 101 to Indianola cutoff. Follow Indianola Cutoff .8 mile, then right on Myrtle Avenue. Follow Myrtle Avenue 1.7 miles then left on Freshwater road and immediately left on Greenwood Heights Road at Freshwater school then another 6.2 miles to destination. **If you are towing**, it might be best to disconnect the toad down by the Freshwater school and drive it up separate from the coach.
