

through Hellgate Canyon. This is a “must do” activity—gorgeous scenery, humorous dialogue from your pilot, and lots of river to enjoy.

On the return trip, we’ll stop downriver at the OK Corral, an old homestead, for an all-you-can-eat country barbecue dinner. Don’t say you weren’t warned—the restaurant requires proof of legal drinking age prior to serving alcohol to you! Will you need IDs?

If anyone has the energy once we arrive back at the RV park in Shady Cove, we’ll gather for a continuation of fun.

We have made reservations for 15 coaches at the RV Park. We would love to hear from all of you as early as possible regarding attendance, so that we're (hopefully) able to reserve additional spaces if needed.

Because we've planned some top-notch activities (for which we've made healthy deposits), we need to have a *firm* count of attendees by August 10! Yes, we know that is mighty early, but we must have a firm commitment for at least 30 people—or we will need to revise our planned activities.

Which means, of course, that any late-decidors wishing to attend after the cut-off date take their chances on getting a seat for the Jetboat Excursion Hurry! Sign up! Enjoy!
